

append\_char

```
graph LR; A[append_char] --> B[ensure_capacity]; B --> C[ft_memcpy];
```

A flowchart illustrating a sequence of three operations. The first operation, 'append\_char', is highlighted with a gray background. A blue arrow points from it to the second operation, 'ensure\_capacity', which has a white background. Another blue arrow points from 'ensure\_capacity' to the third operation, 'ft\_memcpy', which also has a white background. All three operations are contained within rectangular boxes with black borders.

ensure\_capacity

ft\_memcpy
